

1200x2400MM

The slabs are obtained through a vitrification process, i.e. the complete fusion of sand, quartz, feldspar, kaolin, clay and natural colouring oxides to form a single material: these raw materials are fired at temperatures above 1200°C to create a compact and solid product with exceptional hardness and unparalleled mechanical properties. OUR slabs meet the criteria of innovative architecture, able to perfectly combine striking aesthetics with high technological performance.

EXEUNT OF OUR LINE UP

HIGH GLOSS

Super gloss finishing and a touch of glorified glamour is what make these tiles an exception. Their sophisticated outlook and trendy colors shimmer and brighten up the mood & spaces.

POLISHED

Fine finishing and smoothness of tile surface make this collection another beautiful heaven of possibilities. Smart choice of tiles goes hand in hand with any interior decors.

GLINT

Classy yet contemporary is the appeal of this fabulous collection of vitrified tiles. Originality and diverse shades of colourful tiles has made this collection a worthy possession of all times.

CARVING

The surface of the tiles are given an extra cosy effect by carving out surface of the tile in a creative way, which adds glamour and attraction to your interiors.

METALLIC

Trendy and appealing designs of these tiles are total hit and dearly favorable. Bring home a new kind of interior designing and watch these tiles transforming your boring gloomy spaces into fun and functionality.

SILK

Textural smoothness combined with fascinating colour schemes open a vast range of possibilities for your space. It becomes very difficult for the onlookers to stay away from the tempting impulse to touch those tiles.

MATT

Sobriety of surface quality and boldness of this collection is something as unique as your personality. Not so loud yet full of creative surprises are much welcomed for an extraordinary surrounding.

SPACES, SKILLS & INTERACTION

Sno's cutting-edge production system combined with the high level of expertise and professionalism of the business units and comprehensive range of products allows it to effectively meet all design and commercial requirements. The company's solid structure is able to meet the demands of an evolving market, by offering an effective, accurate and high-quality services.

We know the world and we experience it every day. Every day, with a network that stretches over many countries, we come into contact with different markets and social-cultural contexts, in which we offer our know-how, even more than our products.

This policy has proved positive, as demonstrated by the projects undertaken and the international certifications obtained. This is the proof of the "Made in India" model we export: the ability to innovate and to reinvent the spirit rooted in our traditions, together with the constantly improving quality of our products

OUR COMPANY

Our identity can best be described in three words: Enthusiasm, Skills and Flexibility. The enthusiasm that guides our work and brings it to life, acting as a driver for growth, excellence and the pursuit of new solutions. Skills are our ability to improve and to reach higher standards every day, thanks to decades of know-how, investments and practical engagement. Lastly, flexibility is the route towards achieving the synergy between the company and its customers that is the most important of our aspirations.

EXCLUSIVE FEATURES OF OUR TILES

AS FLOOR TILES FOR CONTINUOUS SURFACES WITH ALL THE GUARANTEED SAFETY THAT OF 9mm THICKNESS PROVIDES.

AS WALL TILES TO DRESS PRESTIGIOUS SPACES AND SCENIC WALLS WITH A SINGLE SLAB AND VERTICAL INSTALLATION.

AS FOR OUTDOORS FOR VENTILATES FACADES THAT ARE LARGE AND ENDURING.

AS DESIGN APPLICATIONS AS A BACKSPLASH, KITCHEN TOPS, COUNTER TOPS AND SPECTACULAR EXPANSES.

UNALTERABLE OVER TIME:

Colour and brightness does not change over time.

STAIN, DETERGENT AND SCRATCH RESISTANT:

Resistant to chemicals: it is non-porous and resistant to acids.

HIGH BREAKING LOAD STRENGTH:

Resistant to loads, compression and bending.

EASY TO HANDLE AND TO MAINTAIN:

Doesn't require special water proofing treatments after installation.

CONSISTENCY OF SURFACE IN SUBSEQUENT PRODUCT RUNS:

Shades and graphics remain the same and are completely reproducible in every subsequent production run.

THE EXCELLENCE OF PORCELAIN STONEWARE:

The expressive aesthetics of large slabs combined with the properties and advantages of Vitrified stoneware in 9mm thickness, offering the same technical performance as more traditional formats, actually surpassing those of the natural material.

MORE IMPACT FOR INTERIOR & ARCHITECTURE:

Infinity Slab dictates the elegant and residential spaces where luxury and contemporary design meet. Perfect for creating floors and walls of tremendous impact in prestigious hospitality venues, in wellness areas and in dining areas.

MAJESTIC SPLENDOUR:

The Infinity Slab 120x240mm, 120x120mm and 80x160mm Vitrified stoneware sizes make INFINITY SLAB a veritable furnishing and design element. The large slabs can be combined with the other marble effect surfaces of Ours for elegant chromatic compositions

POWERFUL BEAUTY:

Large vitrified stoneware slabs that reinterpret the luxury of marble can be used outdoors in extensive ventilated facades for total continuity with the indoor spaces, or for outdoor commercial spaces of the utmost visual impact.

SEDUCTIVE DESIGN:

The myriad of advantages of vitrified stoneware include resistance to slipping, resistance to stains and detergents, the visual potential of the large 120x240mm, 120x120mm and 80x160mm sizes and the precious look of marble, for contemporary spaces of tremendous aesthetic seduction.

MARVELLOUS MASTERPIECE:

The large size marble-inspired vitrified stoneware slabs reinterpret a selection of prestigious natural marble with absolute fidelity, creating planning harmony with the Marvel decor for residential and commercial ambiances of strong character.

EXCELLENT PRIVILEGE:

Veining and natural shading lend character to wide expanse of marble effect porcelain stoneware surfaces of high graphic variability and realistic aesthetics rich in detail. The honed surface exudes the luminosity and unevenness of the matter of inspiration, making floors, panels and expenses polished and mirror-like.
